5 JUICY QUESTIONS FOR...

George & Franci Arraiol

Owners of Pica Pau Continental Cuisine

1

What are Pica Pau's signature dishes?

George: Mussel Pot, Porra Flatty and Lamb Shank.

2

What is your personal favourite dish on your menu?

George: "Patrão Favourite" pasta served with chicken strips, pesto, garlic, parsley and olive oil.

Franci: "Portuguese Salada" tuna, boiled egg, butter beans, tomato, onion, lettuce and peppers.

3

What's the best piece of advice you've ever received from a restaurateur friend or mentor?

George: You cook for your customers, not yourself.

4

What is the main component making your restaurant successful?

George: Staff! Inspiring the best from your staff is as critical to a restaurant's success as great food and great atmosphere.

Franci: It doesn't matter how great your food is or how great the location is, if your restaurant's staff are not friendly and competent, customers are not likely to come back.

5

What is the secret of working as a husband-wife team?

Franci: We are best friends. Of course, conflicts and disagreements do happen, but we always remind ourselves that working together we have to bear in mind the ratio of positives to negatives, given how much more we interact when compared with "regular" couples.

We have also created clear roles and responsibilities that play to each partner's strengths.

4 garlic cloves, finely chopped
80g butter
500ml dry white wine

MAGICAL MOMENTS don't always need to be at home

With Flexi Club you can enjoy the widest variety of holidays, no matter the size of your budget.

A product of
First Group

Flexi Club has changed my life

Frederick Erasmus, from Witbank, is a Flexi Club Explore member, having joined Flexi Club three years ago.

"I would like to convey my thanks to the Club for making this scheme available to the general public – without Flexi Club Explore, my family would not have been able to holiday in these trying economic times.

I have made use of the Club facilities as follows over the past three years:

1. I have taken full advantage of the 4 annual bonus breaks - some of the 4 annually available wellness/spa treatments were included and I didn't need to use my Club Points and Levy Account Credits, as I was able to pay cash for these affordable bonus breaks. I have taken weekends and midweeks, as well as a full week using this facility.

2. I also used some of the 4 special- and 4 impulse-offers, enabling me to save on what I would normally have spent for the weekends and midweeks I have taken. I even booked these trips at times of the month when we didn't have the spare cash, as my Levy Account had enough funds available for me to go on holiday without having ready cash for accommodation!

3. I am particularly keen on being able to save up the remaining points- and money in my Levy Account each year: I will use these for a trip overseas the year after next, taking full advantage of the three-year window for Points and Levy Account retention.

In addition to all of the above, I hope to be able to use the car hire, cruise facility and local and international tour packages soon.

The ease with which I have been able to make my bookings, both online and via your call centre, has made me feel confident about getting the bookings I want, when I need them and at the price I can afford at the time. It's nice to know that I have my Levy Account Credits for when I am in a jam and could not otherwise afford to take a break. Also, my friends have joined me from time to time and they are dead envious of my membership.

Since my latest holiday at Umhlanga Sands, I am even more convinced that I made the right decision at the time. I'm really pleased that I will soon be able to upgrade to the Inspire tier and later I hope to escalate this to Elite as my family grows, as we will soon need to use school holidays too.

Thank you again for this facility."

Chef's Tip

Fish, among most types of seafood, has a delicate flavour. You need to drink something that is not going to engulf the flavour of the fish. White wine is a good choice as it complements, rather than overwhelms, the delicate flavour.

You are in good tentacles

TELL US ABOUT YOUR ROOTS AND YOUR SLOGAN?

I grew up in Krugersdorp and started working at our local Magaliesburg Spar, a family-owned business, at the age of ten. I “married” into the liquor trade and our first “Big Time Liquors” was opened in Krugersdorp 20 years ago. Three years later, the second Big Time Liquors opened in Magaliesburg followed by Small Time Liquors in 2008. The businesses have grown in keeping with the town’s expansion.

After 17 years of Big Time Liquors giving our community personal and friendly service, we are delighted and proud to launch “Magalies Tops” ready to offer even more to the public.

My team and I are proud to keep alive the dream of the legendary Chico Da Cunha, living by his motto “Service with a personal touch” as we build up the business in his honour.

WHAT ARE YOUR GOALS?

DIE BEK SE PADSTAL

Kallie Knoetze started up his farmstall "Die Bek", in 1981 after his retirement from the professional boxing ring. Initially a roadside convenience store for the local population, this small venture has grown into a reliable service making deliveries to a variety of customers.

Fresh produce is sourced from the Tshwane Market and the business has come a long way since the early days of delivering to customers with a pickup truck and a supermarket trolley. "Die Bek" is renowned not only for the fresh vegetables and fruit but also for the tasty chilli bites, biltong and "droë wors" on sale.

Kallie and his wife, Elize, have been married for 41 years. They have two sons and four grand children. "Die Bek se Padstal" is on the R513 road between Pretoria North and Brits; Off-ramp 102, De Wildt.

Geoff van Heerden, reporter for Pretoria News at the time, named Kallie "Die Bek van Boomstraat". Their Gym was then in Boom Street, Pretoria.

ROSÉ WINE

WHAT IS ROSÉ WINE REALLY?

Rosé happens when the skins of red grapes touch wine for only a short time. Where some red wines ferment for weeks at a time on red grape skins, rosé wines are stained red for just a few hours. The winemaker has complete control over the colour of the wine and removes the red grape skins (the source of the red pigment) when the wine reaches the perfect colour. As you can imagine, nearly any red wine grape (from Cabernet Sauvignon to Syrah) can be used to make rosé wine, however there are several common styles and grapes that are preferred.

I found the real deal in Vaczone

Jocelyn Cunningham - Umhlanga

"You won't believe the incredible **Overseas Holiday** I just went on through my Vaczone membership which saved me thousands thanks to their amazing discounts. I got to visit friends in Florida, see Disney World for the first time with my kids and my boyfriend even played his first ever round of golf which he loved!

Shopping isn't really my thing, especially when it comes to other people's **Birthday Presents** but with Vaczone's amazing online store, I've browsed through thousands of the best gifts and what's more, they're all at ridiculous rates.

Getting to enjoy amazing **Spa Deals** is one of my favourite parts of being a Vaczone member. I've had a few girly getaways with my mates in the Drakensberg and on the Cape West Coast at Club Mykonos. My friends are always asking how to join!

The rock pool at Bushman's Nek

My daughter, Michaela, made new friends at the water slide

Eating out is probably my favourite entertainment! I just love catching up with friends over a few glasses of wine at some of South Africa's best restaurants. Well, things just got even better for me since I discovered Vaczone's **Dining Deals** like Crave 2-4-1 Dining. My meal is always discounted, even at some of the best restaurants. I simply love it.

The only thing I still have to do with my Vaczone membership is go on a Cruise! I've been browsing their website and am dying to go to Alaska next year - Vaczone has been my best discovery in ages!

- I've **saved** 3,250 VBux
