Barn Swallow

Color guide

If you see a small, fast, low-flying bird with a forked tail it is probably a barn swallow. Barn swallows hunt in open areas and over water, catching insects in flight. They build their nests of mud under edges of structures such as barns or park shelters.

Barred Owl

Color guide

The barred owl lives in large, mature forests, often near water. Its nighttime hoot resembles the phrase “Who cooks for you? Who cooks for you all?” It hunts from a perched position, intently listening for a variety of small animals scurrying below on which it feeds.

Northern Cardinal

Color guide

Northern cardinals live in Minnesota year-round. Males are mostly red and females are tan with hints of red. They have many songs—one is a two-part whistle followed by a trill, and another sounds like “birdie, birdie, birdie.” Listen for cardinals early in the morning in spring.
